**Bulletin: 2012-02
6/21/2012**

Bulletin: 2012-02
Subject: Hurricane/Natural Disaster Airport Status Reporting
Issue Date: June 21, 2012
Revised Date:

Contact: Frank Loprano, Airport Certification Safety Inspector
9-AEA-ARP-AirportStatus@faa.gov; **908-577-8126**

Application: Part 139 Airport Certificate holders

Background: June 1st marked the beginning of hurricane season. Natural disasters (i.e., flooding) can occur at any time. During these emergencies, the FAA and other government agencies need to know the status of your airport. We need this information to respond to the event and provide you our support. This Eastern Region Certification Bulletin serves to outline the expected procedures for reporting information to us in a timely fashion. Frank Loprano will serve as the liaison to Eastern Region's 139 certificated airports during these events.

Action Required: Please distribute as necessary.

During a hurricane or natural disaster, please provide us regular updates on the status of your airport using the attached Hurricane/Natural Disaster Airport Status Report. Please report as follows:

- by 0700 hrs.
- another by 1600 hrs.
- when significant changes occur

Email the report to us at 9-AEA-ARP-AirportStatus@faa.gov. In the event you cannot use email, you may report information to Frank Loprano by telephone at 908-577-8126.

If your telephone numbers or personnel have changed recently, please fill out the attached contact information sheet and email it back to your assigned Inspector as soon as possible so we can update our records.
